# Getting Started

Please Bring: a picture ID, proof of address, credit or debit card, and the first two months payment.

100% of the monthly rental credit applies toward the purchase of the instrument you are renting. Up to one year of rental credit can be applied to the purchase of a new intermediate or professional model instrument. Rentals accrue rental credit based on the price per month minus the service fee.

WVMC provides excellent in-house service and repairs on all rental instruments, which is covered by the included \$5 service fee.  
(some restrictions may apply)

If your student chooses to discontinue playing, you may terminate your contract by returning the instrument at any time with no further obligation. Charges may apply for damaged or missing parts.

WVMC is a full-service music store located in the heart of Salem's historic downtown. Locally owned and operated, we strive to provide superior service and quality products at affordable prices.
